

APPLICATION FORM #1.0

Customer Stockpiling **FREE** **Marketing Plan** application form

Apply for your FREE Marketing Plan today.

Here's how this works ...

Step 1 — You fill out the quick form overleaf and email it back to **enquiry@hard8marketing.com** with '**Customer Stockpiling**' as the subject line.

Step 2 — I review your website and current marketing, and will then email you a report with detailed and specific advice on how I would recommend bringing more customers into your business.

And that's it...

You are under no obligation to accept my advice.

However, if after reading the report, you decide to apply any of my suggestions, would you be kind enough to let me know how you get on?

Because I'd love to know I was able to help you.

So until then, thank you again for your interest.

And, I look forward to receiving your application.

All the best.
